Drive-thru Communion January 24 - 61

**Drive-Thru Communion Continues**

We will have drive-thru communion every Sunday in January from 10:00am—11:00am.

Please continue to enter the carport drive from the alley and exit onto Weldon Street. If you have offering or items for church, a box is available. Even though we cannot be together in the same way, we share a relationship in the body of Christ and are strengthened through our participation in this Holy Sacrament.

Please note that this is subject to change and updates can be found on **Trinity's Facebook page** and **www.trinitylatrobe.com**.

**Return to In-Person Worship**

The Return to Worship Committee met on January 25 to continue discussion about returning to in-person worship. The Committee will make a recommendation for Council to consider at their next meeting. Thank you for your continued support and prayers.

**Souper Bowl of Caring is February 7!**

Soup kettles will be in the hands of our youth as they collect monetary donations at drive-thru Communion on Sunday, February 7. Donations will benefit Westmoreland County Food Bank.

**Help stamp out hunger!**

**Shrove Tuesday Pancake and Sausage Take Out Dinner!**

# Evangelical Lutheran Church in America

God's work. Our hands.

Thank you for your special offerings that are bringing God's love and hope to a hungry, hurting, and broken world.

### ELCA World Hunger Offerings: \$221.75

Offerings collected are used where help in the world is needed the most.

### ELCA Missionary Support: \$205

**YOU** can make a difference in spreading the gospel around the world through your offerings to help support our missionaries.

### Ink Cartridges and Cell Phones

Trinity is still collecting empty ink cartridges and old cell phones. Your donations benefit World Hunger and the environment. Drop them off at church or call the church office at 724-537-4450. Thank you!

Just a reminder that **Trinity's Youth** benefit when you take your aluminum cans and scrap aluminum to **Stanko Products, Inc.**, 278 Donohoe Road. Just mention Trinity's Youth and the money will be donated to them in your name. Money will benefit our youth mission trips.

Can't make it to Stanko Products? Just put your aluminum cans in garbage bags and set them by the shed or in the pickle barrel and we will make sure they benefit our youth mission trips. (No credit will be given to your account.) **Steel cans (ie. coconut water, etc.) cannot be recycled with the aluminum. Please use your household recycling for these type of cans. Be a good steward of God's creation!**

### Have you been experiencing issues when listening to the church's radio broadcast?

*Check what channel you are tuned into and be sure you are connected to **1480WCNS AM** or **98.7Jack FM** (this is the parent station of 97.3Lite FM). There has been some local frequency interference. To strengthen your radio signal, try moving your radio to a different location/room and fine tuning what station you are on to the above listed. We continue to try to improve the radio broadcast as much as we can outside of the frequency issues being experienced.*
