"They offered great sacrifices that day and rejoiced, for God had made them rejoice with great joy; the women and children also rejoiced. The joy of Jerusalem was heard far away." Nehemiah 12:43

The story of Nehemiah is pretty incredible. Nehemiah was a servant of a foreign king. When he heard that the walls of Jerusalem were in ruins, he felt that he had to do something about it. Amazingly, the king granted him permission to go to Jerusalem and work on the walls. Nehemiah and the Israelites worked diligently to rebuild the walls around Jerusalem. They faced opposition, threats to their very lives, and even some disputes among themselves. However, they prevailed and finished the rebuilding effort. After Nehemiah and the people rebuilt the wall around Jerusalem, they threw a huge party. They wanted to celebrate. They wanted to praise God for bringing them together and enabling them to rebuild the wall in spite of great opposition. They gave (sacrificed) and rejoiced while doing so because they were so grateful to God. Let's give joyfully today as we consider all God has provided. He's given us new life, the freedom to worship, family and friends, shelter, financial resources, jobs, and so much more.
