

We Love a Parade!

- We have received information about participating in the Latrobe 4th of July parade. Before we commit to being involved, we need to know we have the full support of the church members. The theme for the parade this year is **“Celebrate Latrobe”**.
- Several things are needed before we make a commitment to participate. There will need to be a committee to oversee the project, someone to chair that committee, and selecting a design for the float.
- There is a poster in the narthex with pictures from the last time we participated with our ‘walking float’ in 2015. It was Trinity’s 150th anniversary and that was our theme. There is also a suggestion box for you to share your thoughts.
- From the planning of the 2015 float to the actual parade was an **amazing experience**. We would like to have that experience again. Please prayerfully consider what you could offer if we do this again.
- There will be a sign-up sheet in the hallway across from the lounge.
