CLUB FRED COOKING CREW NEEDS HELP!

We are looking for another cooking crew to join Club FRED. Currently we have three crews. A fourth crew would be very helpful! This crew would be the Pizza Night Crew, which is the easiest of all! We serve pizza, salad or fresh veggies, drinks, and a dessert that night. The pizza is delivered. We generally serve between 45-60 people. The crew would serve this meal once every four weeks. If you would be interested in developing a crew of 2-4 people, or would like more information about the dinner, please contact Kathy Ferlin at 724-875-8301 or ferlin.kathy@gmail.com.

ALUMINUM CAN RECYCLING

Just a reminder that **Trinity's Youth** benefit when you take your aluminum cans and scrap aluminum to **Stanko Products, Inc.**, 278 Donohoe Road. Just mention Trinity's Youth and the money will be donated to them in your name. Money will benefit our youth mission trips.

Can't make it to Stanko Products? Just put your aluminum cans in garbage bags and set them by the shed/elevator and we will make sure they benefit our youth mission trips. (No credit will be given to your account.)

Steel cans (ie. coconut water, etc.) cannot be recycled with the aluminum. Please use your household recycling for these type of cans. Be a good steward of God's creation!
